

LEDBURY COUNTRY MARKET ORDERS

On the pages that follow, you are viewing a **sample of our products list**.

Much of the list will not change, but it can vary from week to week depending on what is available.

Please register as a customer via the website link if you wish to place an order, and then each week you will be sent the current list to make your selection from.

Orders can be emailed or called through - all we need for an order will be your given customer number and then for each product off the weekly list - the code, the description, and the price quoted as well as the amount you need of it.

Once we have calculated the cost of your order, payment can be paid either by BACS, or by card or with cash on collection.

Collections are currently made from Burgage Hall Courtyard, off Church Lane in Ledbury on Fridays between 10:30 and 12:00 noon.
